"Thank you 99aupairs for helping me find the perfect host family! I've been with my host family for almost 2 years now. I am enjoying my stay as an Au Pair. They really treat me like a family member. A friend recommended 99aupairs to me and now I will do the same thing."

I would like to thank 99Aupairs for helping me get started as a carer and also an aupair. Helping families and people while you are also being helped too is what 99aupairs does, especially during last year when everyone was going through a tough time.

Irene and her team are professional, organised and responsible when it comes to deliver knowledge and duties which are to be done when helping and taking care of people, so I would recommend everyone that needs support that 99auparis is the most accurate to rely on.
