

# Thor's Hammer

## What you need:

- Tissue box
- Paper roll
- Grey and brown paper or paint
- Black texta
- Glue/sticky tape
- Scissors

## What to do:

1. Cover the tissue box in grey paper or paint it. Cover or paint the paper roll in brown paper. This will be the handle.
2. Cut thin strips of grey paper and glue these onto the handle.
3. Cut a hole in the top of the tissue box so the handle fits in. Use tape to secure the handle to the box.
4. Use black texta to draw a decorative design around the edge of the box.
