

Make an Easter Basket!

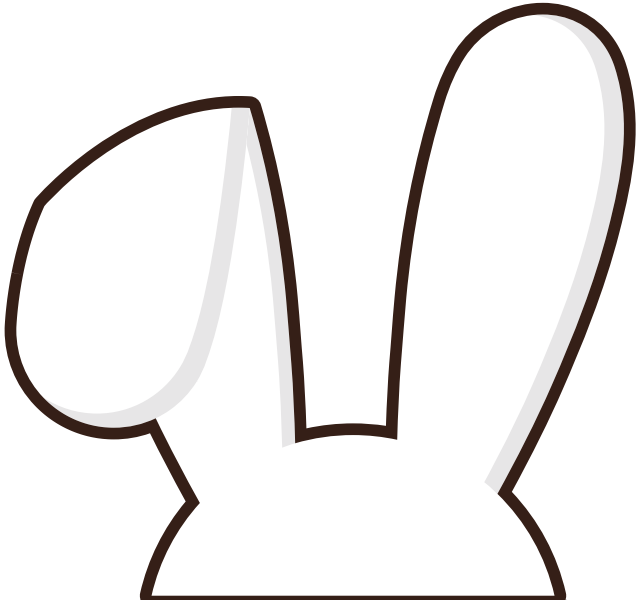

What you need:

- Paper
- Pencils/textas
- Glue
- Scissors

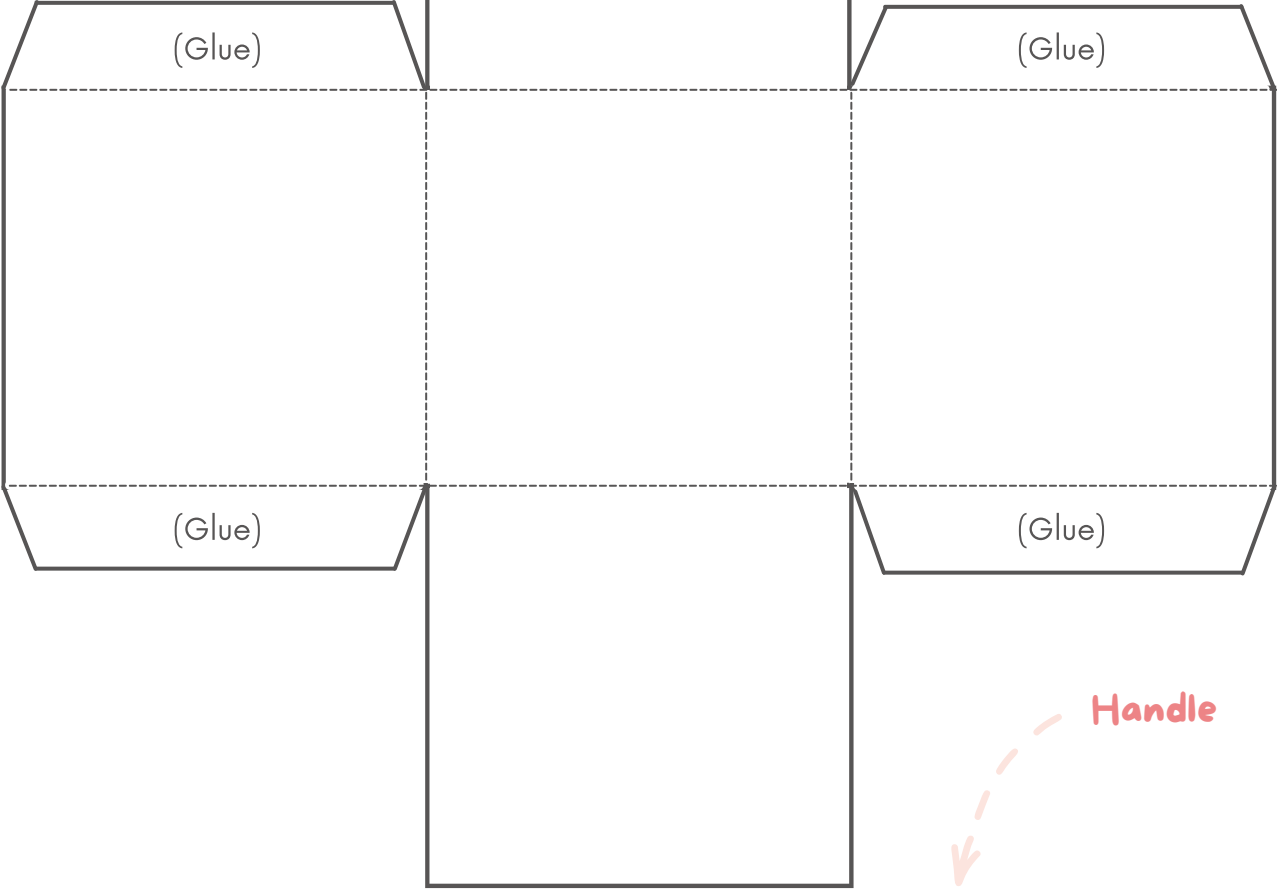

What to do:

1. Print the basket template and colour it in. Or draw your own.
2. Cut the basket out by following the solid lines.
3. Then, fold following the dotted lines.
4. Glue the sides of the basket together.
5. Glue the handle to the basket.
6. Take a photo and upload to the [Kids Creations Gallery](#).
