

WEATHER MOBILE

What you need:

- Paper
- Pencils/Textas
- Scissors
- Glue
- Ribbon

What to do:

- On some paper, draw a sun, storm cloud, lightning and water droplets and cut them out.
- Cut two long strips of ribbon and one smaller strip.
- Glue the two long strips of ribbon to the back of your storm cloud.
- Fold the smaller strip in half and glue it to the top of your storm cloud (this will be the handle).
- Stick the sun on top of your storm cloud.
- Stick your lightening bolt to the bottom of the storm cloud.
- Stick the rain drops down on the long strips of ribbon.
- Hang up your finished weather mobile.
