

Elephant Cartoon Drawing Challenge

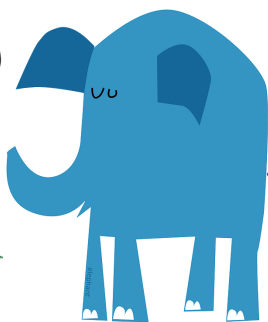

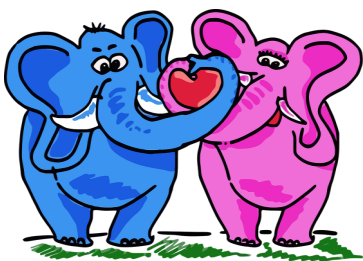

Do you like drawing or want to give it a try?

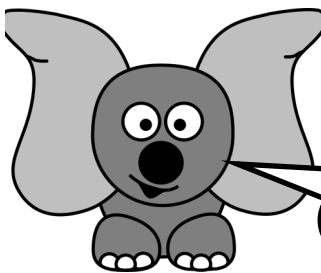

Drawing an elephant as a cartoon can be a great way to draw it without it having to look 100% realistic.

For inspiration, research “draw a cartoon elephant” online and find an inspirational video or website to guide you along the way.

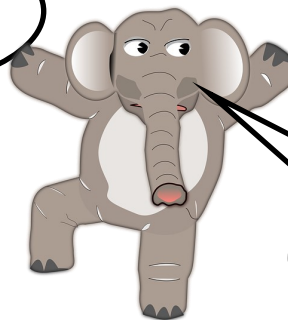

Cartoon elephants come in various styles, shapes and colours:

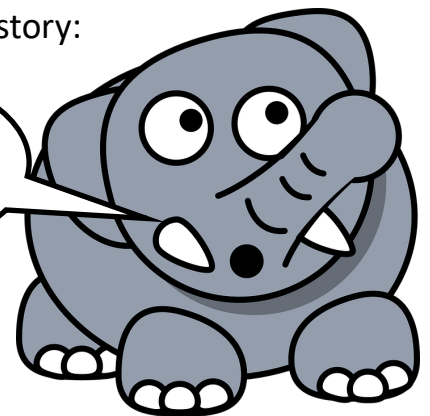

You might even give your elephant something to say and create a story:

I have no nose. How do I smell? Terrible!

Look at that! An elephant in t-shirt.

Ok.... Tap dancing class here I come!

Or even draw in a background.

You could even create a comic strip with your elephant characters. Check out the next page for a comic strip template.

You might like to share your creation on the [Kids Club Online Photo Gallery](#)

I need to see a dentist, my tusk hurts.
