

Cartoon Spiders

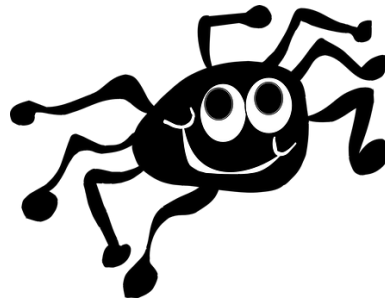

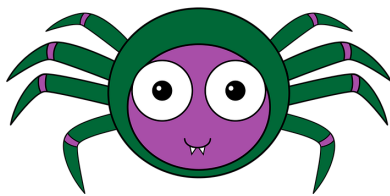

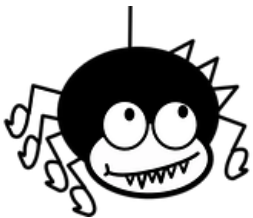

Do you like drawing or want to give it a try?

Drawing a spider as a cartoon can be a great way to draw one, without it having to look 100% realistic.

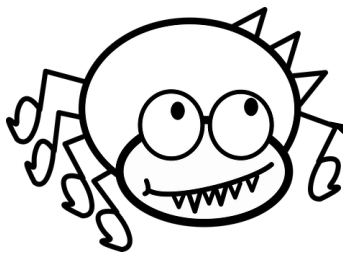

For inspiration, research “draw a cartoon spider” online and find an inspirational video or website to guide you along the way.

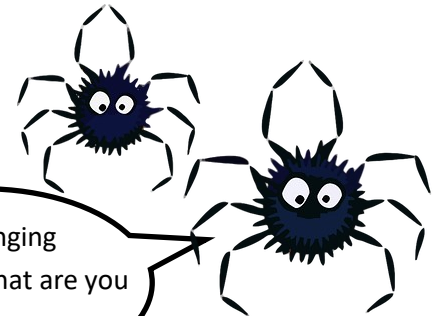

Cartoon spiders come in various styles, shapes and colours:

You might even give your spider something to say and create a story:

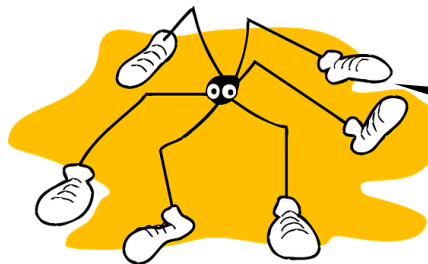

I have no nose. How do I smell? Terrible!

I'm just hanging around. What are you up to?

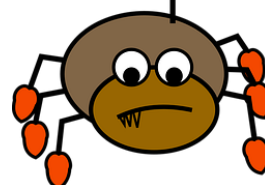

Or even draw in a background.

Ok.... Tap dancing class here I come!

You could even create a comic strip with your spider characters. Check out the next page for a comic strip template.

You might like to share your creation on the [Kids Club Online Photo Gallery](#)

I think my socks look like strawberriessigh....
