## WORDS FROM OUR WINNERS

### Joey Spiteri – Sweet Street Desserts (know as Baby J's)

It was an honour to be a finalist in the 2019 Wyndham Business Awards. We had only been operating for a year, so to hear our name called out as the winner of 'The People's Choice Award' came as a complete shock. It was great to know we were making an impression in the community I love and call home. Since winning, we have rebranded the business to 'Baby J's Desserts' and have continued to grow with the help of our loyal customers in the community. I will forever be grateful for the opportunity to do what I love and meet so many amazing people.

### Vana Suarez - BabyScent Natural Skincare & Nature Lab Skincare

Winning the Business Awards has been one of our utmost proudest moments and achievements both personally and at a business level; especially gaining the recognition for the many years of hard labour, as well as the vindication for our mission in making a difference with our products. Thanks to the Business Awards we have gained the added trust and confidence in relation to our products throughout the country. It has helped us create added exposure and brand awareness within the Wyndham City community and opened various avenues with many diverse organisations Australia wide and internationally. It has helped us build relationships with peers, businesses, organisations and create stronger bonds with our customers, therefore as a result continued growth and development of our business. Truly, an invaluable and rewarding experience at every level. We are grateful to Wyndham City Council to have had such a wonderful opportunity and experience!
