

BLANKET FORT

What you need:

- Large table or dining chairs
- Blankets or sheets x 3 or 4
- Pillows
- Books
- Snacks

What to do:

- Place 1 or 2 large blankets or sheets over the top of the table so extra material overhangs down all sides of the table. Or spread 4 dining chairs out in a large space and hang the blanket or sheets over each chair. You may find that if you have the chairs too far apart the centre of your roof will begin to cave in.
- Create piles underneath the table of blankets with pillows.
- Take your favourite book inside and have a cozy reading area.
- If you create the fort in front of the TV and don't overhang the blanket or sheet over the front of the table/chairs, you can have a cozy blanket fort movie night. Make sure you bring snacks!
