

Good Character

B i n g o

Print out this page a few times and fill in the boxes with attributes you think make up a person's good character. Make sure that each page has different words in different squares.

Such as: Respect, kindness, caring, determination, patience, fairness, thoughtfulness, sharing and responsible or any others you can think of.

Cut out 1 sheet of squares and place them in a bowl. With friends or family, take turns to pull one square out of the bowl. If your bingo sheet has that word on it, cross it off. The first person to get a full line, wins.
