

# Shadow Puppets

## What you need:

- Dark coloured paper
- Scissors
- Straws or skewers
- Pencils
- Glue or tape
- Flashlight

## What to do:

- Print the following page and cut out the shadow designs.
- Or on a dark piece of paper, draw your own shadow designs.
- Cut out your designs.
- Using glue or tape, stick your designs to the straws or skewers.
- In a dark area close to a wall, shine the flashlight behind the shadow and watch the shadow get larger on the surface in front of you.
