Do you like drawing or want to give it a try?

Drawing a cat as a cartoon can be a great way to draw something without it having to look 100% realistic. For inspiration research “draw a cat” online and find an inspirational video or website to guide you along the way.

Cartoon cats come in various styles, shapes and temper.

You might even give your cats something to say and create a story:

You could even create a comic strip with your cat characters.
