

Space Wreath

What you need:

- Paper plate
- Coloured paper
- Glue/sticky tape
- Scissors
- Textas/pencils

What to do:

1. Cut the middle of the paper plate out to make a wreath shape.
2. Colour it in black or dark blue.
3. Draw images relating to space, like planets, spaceships and stars. Cut these out and stick them around the wreath. When finished you can hang the wreath up on a door.
