

Diwali Wreath

What you need:

- Paper plate or thick cardboard
- Paper
- Pencils/textas
- Glue
- Scissors

What to do:

1. To make the wreath, cut the middle out of a paper plate. Or cut a large circle shape from cardboard and cut the middle out.
2. Draw a few diyas on paper, or print the second page. Colour these in different, bright colours. Cut out and stick onto the wreath.
