

Paper Pizza

What you need:

- Paper
- Scissors
- Glue
- Pencils/textas

What to do:

1. Print out the pizza slice template or draw your own. How many slices make a full pizza? Print or draw as many as you need to make a pizza.
2. Colour in the pizza with your favourite toppings, roll up the pizza crust and glue or sticky tape it down.

Roll the pizza crust up and stick down
