

# Make a Sonic Screwdriver

The Doctor is an alien from the planet Gallifrey. Many of the different Doctors' have had a sonic screwdriver. The screwdriver uses sonic waves to unlock doors, fry circuits, hacking, activating and disabling technology.

What will your sonic screwdriver look like?

## What you need:

- Paper
- Scissors
- Sticky tape
- Pencils/textas

## What to do:

1. Roll up a piece of coloured paper or paper that you have decorated yourself. Tape it together.
2. Decorate the sonic screwdriver. I added grey paper to be metal strips on it. And buttons in the middle to control the screwdriver.
