

# Make an Elf Hat

## What You Need:

- Coloured cardboard
- Scissors
- Glue
- Sticky tape
- Textas
- Pom poms or decorations

## What to do:

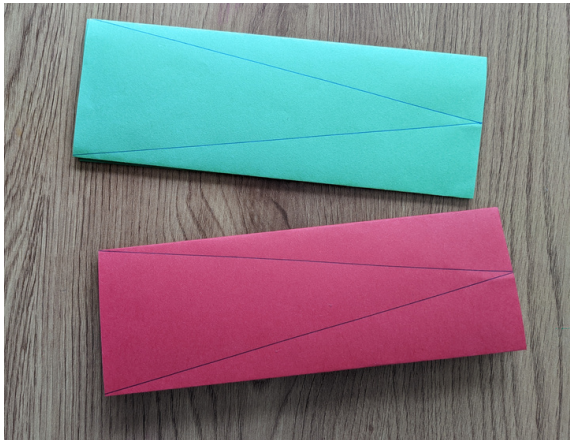

Cut out 2 strips of cardboard to make the headband. Tape the strips together, making sure that it fits comfortably on your head.

Draw 2 large, pointy elf ears with long stems.

Show us what you have made on the [Kids Creations Gallery](#).

- Fold 2 x A4 pieces of cardboard in half, then fold them in half again.
- Draw a triangle on the front of each piece of cardboard.
- Cut around the triangles so that you end up with 8 triangles altogether.

- Glue the ears and triangles onto the headband.
- Glue the tips of the triangles together. Wait for the glue to dry. You can add a pom pom on top if you like.
- Decorate! You can use textures, pom poms, coloured paper or stickers to make your elf hat extra fancy.
