Across our City, older residents generously donate their time and energy to strengthen our way of life. We must maximise the contributions of our seniors and ensure they have the resources and support they need to thrive and keep shaping the future of Wyndham.

This directory has been designed to promote awareness of the importance of good nutrition and physical fitness and foster longer, more active, more productive lives.

Combining comprehensive advice with a list of services, facilities and activities available across Wyndham, this directory is an invaluable tool to educate and empower seniors of all backgrounds and abilities to live a healthy lifestyle.

More than ever, we know how important it is to remain engaged and connected with family, friends and community.

Wyndham City Council is determined to ensure that the essential components of good health and happiness are available to every resident.

I encourage you to utilise this directory to join a group of interest or try something new – it's never too late to improve your health and vitality!

**Mayor, Wyndham City**

## Ageism

### Are you ageist? Are you sure?

Ageism is stereotyping, discrimination and mistreatment based solely upon age. When directed towards older people, it comes from negative attitudes and beliefs about what it means to be older.

It is very common in Australia and, without realising it, most of us are a bit ageist at least some of the time.

"You look good... for your age", "You're too old to wear that" and "Old people don't understand technology" are simple phrases we hear all too often!

### The EveryAGE Counts is an advocacy campaign aimed at tackling ageism.

Ageism is not benign or harmless. It is a big problem because it impacts on our confidence, quality of life, job prospects, health, and control over life decisions.

As well as its individual impacts, ageism can also deny society the enormous range of benefits that can flow, economically and socially, from the full participation of older people.

### Take The Pledge

"I stand for a world without ageism where all people of all ages are valued and respected and their contributions are acknowledged. I commit to speak out and take action to ensure older people can participate on equal terms with others in all aspects of life."

To see more on the campaign, take the pledge and to take the Quiz "Am I Ageist" visit: [www.everyagecounts.org.au](http://www.everyagecounts.org.au)
