

PAPER ICE CREAM SANDWICH

What you need:

- Cardboard (I cut up an old box)
- Cotton balls
- Scissors
- Paper
- Glue
- Pencils/textas

What to do:

1. Cut two circles out of cardboard. Draw sprinkles or chocolate chips. This will be the biscuit part of the sandwich.
2. Glue on cotton balls to make the ice cream filling to one of the cardboard pieces, then glue on the other cardboard piece.
