

Make a Board Game

To make a board game, you can print off the game template and dice on the next pages, or draw your own on paper. Make up actions for the spaces on the game board. Here are some examples:

Make counters for each game player.

Show us what you have made on the [Kids Creations Gallery](#).

Start		
--------------	--	--

--	--	--	--

--	--	--	--

--	--	--	--

Finish						
---------------	--	--	--	--	--	--

Cut around the dice, fold along the edges and glue the tabs to make a cube.
