

Dragon Cartoon Drawing Challenge

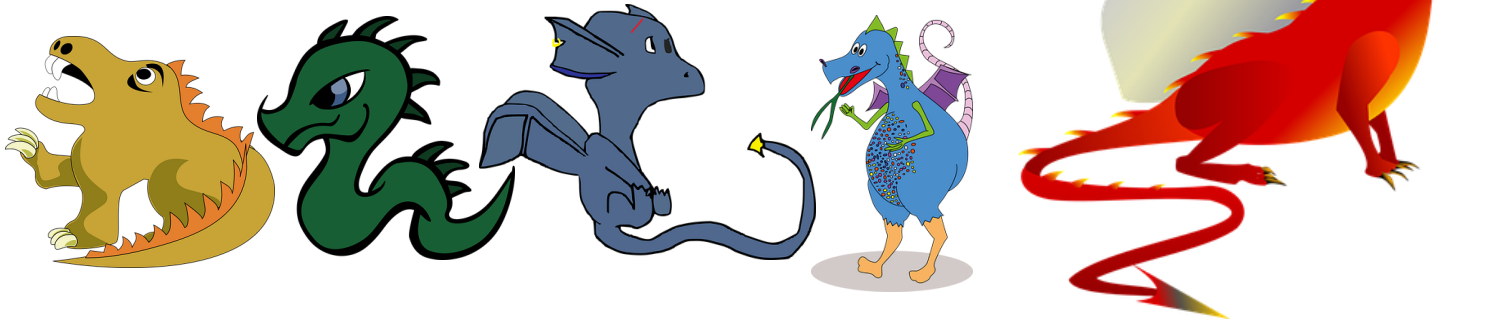

Do you like drawing or want to give it a try?

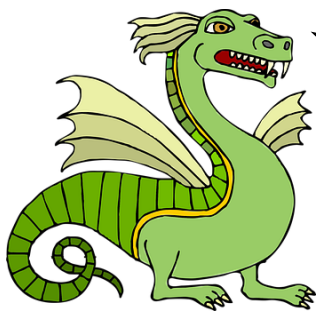

Drawing something as a cartoon can be a great way to draw something without it having to look 100% realistic.

For inspiration, research “draw a dragon” online and find an inspirational video or website to guide you along the way.

Cartoon dragons come in various styles, shapes and colours:

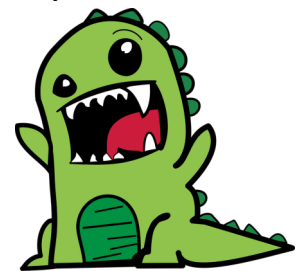

You might even give your dragons something to say and create a story:

I can't scratch my nose.....
I don't have any arms!

My tooth hurts! Time to
eat the dentist again
.....Sorry I meant "see"

Or even draw in a background.
