MANOR LAKES HOME SCHOOLING GROUP

We've had an exciting start to 2023 with the creation of our "Manor Lakes Home-schooling Group"! With many families in the West choosing to educate their children from home, the aim was to create a setting where children could socialise in a safe environment, learn at their own pace and in their own style, and develop a strong sense of community and identity.

Alongside this, parents will be able to meet and lend support, share resources, and benefit from each others' experience. We're really looking forward to beginning in Term 1, and we're excited to see where the year takes us! Any enquires please email: stephanie.mohring@icloud.com

JUSTICE OF PEACE SERVICE @ MANOR LAKES COMMUNITY LEARNING CENTRE

We are delighted to have a JP service offered to the community from the our local community centre. A JP can assist you by attesting the execution of a document, witnessing a statutory declaration., witnessing an affidavit for use in court., certifying true copies of an original document.

School Holiday programs @ Manor Lakes Community Learning Centre

CERAMIC WORKSHOP

The school holiday program was run on Monday 23rd January. It was a great opportunity for the children to learn new skills and express their creativity.

The children had a great time designing and creating their very own ceramic artworks with clay. They were expertly guided by Melissa, as they sculpted and painted their hand built pieces. The kids did such an amazing job.

We have regular classes running at the centre for adults and kids. To enquire more about the class please email: melissa.ceramics@outlook.com

FUN MOVES WITH KIDS

We had a fun filled fitness session for kids facilitated by Divya Emanuel, a registered Personal Trainer/Gym Instructor. The program was quite popular among the kids and they were introduced to Basic skills like throwing, jumping, running. It started with simple routines and variations are introduced to make it easier or harder to accommodate each child's ability and level.

Manor Lakes resident for 20 years, Rosemary is amazed by how much this suburb has grown since she moved into it. Rosemary works as a School Crossing Supervisor and used to volunteer at Foodbank at Manor Lakes Community Learning Centre for several years. One day she met Sally, who was also helping at the Foodbank. Sally talked to her about the Coffee Table group and invited her to join the group to socialise with more people on a regular basis. Rosemary considers herself a shy person, but accepted Sally's invitation to join the group. Slowly Rosemary started to come out of the box and began to participate in the Community Kitchen run by The Coffee Table.

She started helping in the kitchen with dishes on Wednesdays and slowly progressed to start taking orders for the free breakfast program for community members accessing Foodbank. She is now a confident, easy-to-talk-to person with anyone in the centre. She loves coming and meeting new people from diverse backgrounds. She likes talking to them, getting to know their culture while they enjoy various cuisines that the Coffee Table volunteers cook for lunch every Wednesday, Thursday and Friday.

She strongly agrees that making the step to come out of her comfort zone and joining the group was the best decision and she is always looking forward to Wednesdays so that she can be a part of the fun space and meet new people.

THEE COFFEE TABLE

The Café at the Manor Lakes Community Learning Centre is open for breakfast and lunch on the below days and times. Come down to the centre with your family and friends and enjoy and meal together.

Seed library members can collect 3 seed packets per month from either our

NEW LOOK OF MANOR LAKES LIBRARY

Did you know that Manor Lakes Library has recently undergone a makeover?

The library reopened in December with brand new shelving, lighting and carpet, a complete repaint throughout and some new furniture. With the addition of a Silent Study Room, Manor Lakes feels like a completely new library!

As well as creating a fresh, welcoming space for our community, the upgrades have improved energy efficiency and extended the life of many assets.

Come in and take a look around!

STORIES FROM QUANTIN BINNAH

In 2023 we encourage you to continue to pop into Café QB Monday to Wednesday and support this fantastic social initiative enterprise. Café QB is serviced by volunteers and is a not for profit training venture for people with disabilities and mental health to gain valuable experience.

We also have QB Marketplace set-up in the corner of the café with rotating stock and some items made to order to add a personal touch to your gifts. Don't forget to buy and support local when you need a little something to give someone or even when you want to spoil yourself. All proceeds are returned to the artists; who have a disability, mental health concern or face other challenges.

RAINBOW FOREST AT QUANTIN BINNAH

Have you seen the trees that line the entrance driveway at QB?

The Australian Crochet Club has starting crochet bombing. We love how the trees look and we'd love for anyone to do their own design. Feel free to wrap a tree yourself or drop in your crocheted work at QB to be added to our new rainbow forest.

For further information on Community Development times, activities and information please visit www.qbcc.org.au, like the QB Facebook to receive posts and information about our Pop-Up Events or pick up a hard copy brochure in centre.

To discuss anything in detail email community@qbcc.org.au or call Emma or Penny on 9742 5040.

Please get in touch with the Community Development Team on community@qbcc.org.au should you have any requests for programs and activities or if you have any special skills you'd like to share with others. We can't be a community without you!
