ACKNOWLEDGEMENT OF COUNTRY

Wyndham City Council recognises Aboriginal and Torres Strait Islander peoples as the first nation peoples of Australia. We acknowledge the Bunurong and Wadawurrung Peoples as Traditional Owners of the lands on which we provide community services.

The Wadawurrung and Bunurong Peoples have and always will belong to the Werribee Yalook (river), creek, stars, hills and red clay of this country. We pay respect to their Ancestors and Elders who always have and always will care for Country and community today and for future generations.

HOW CONVERSATIONS ABOUT IDEAS CAN COME TO LIFE!

The Point Cook Pop Up Park has been a hype of activity with a series of Kaleidoscope events, embracing the 2021 census data that Point Cook emerged as the country's most multicultural suburb. These events were held throughout March & April, supported by Co-Local, a community based group in Point Cook. The events provided community the opportunity to experience the diversity of cultural events followed with free family movies each weekend. The series of programs launched on 4 March with a Bunurong Introduction to Place. Events also included Indian Boli Holi, African, Greek, Persian, Pasifika, Tamil, Latino, Filipino & Eid Festivals. Don't miss the finale with all different cultures coming together for a Family Fun Day on 30 April.

Welcoming conversations & ideas can lead to fruition. Staff at the Point Cook Community Learning Centre support & work in a variety of ways with local groups both in the centre & in the neighbourhood. We were honoured to support members from under represented groups with their events at the Pop Up Park, firstly the African Festival on 18 March followed by Nowruz the Persian New Year on 26 March.

The African Festival was an opportunity to break down some barriers with members from seven different African nations who came together for the first time in Wyndham & collaborated to share their culture in unison. These included South Sudan, Zimbabwe, Eritrea,

Congo, Rwanda, Ethiopia, & Ghana. Each providing residents a taste of their homelands with performances, activities, & flavours of their local cuisines

The Persian New Year "Nowruz" brought a group of local Persian residents together to make it a reality. The idea organically evolved into a wonderful celebration & opportunity to also share their Persian culture with the wider community. The "Nowruz" a tradition going back more than three thousand years begins on the first day of spring. To celebrate Persians traditionally display a Haftsin table in their homes made up of seven items. The group set up a Haftsin Table & explained its relevance. The day was full of performances, activities & sharing of Persian Food. This year "Nowruz" was particularly significant as they stood in solidarity with the people back in Iran with over 6 months of protests after the senseless death of Masha Amini & many hundreds more by the morality police for simply having a voice; this has seen the uprising of the Women, Life, Freedom movement expressing the desire for, & commitment to, equality, safety, & choice for women in Iran.

Good News Story

KIDS GET BORED WITH TOYS - BORROW INSTEAD

Little Buddies Toy Library participated in the International Toy Library conference in March which saw over 100 delegates from toy libraries around the world attend. This proved to be quite an exciting weekend as Little Buddies President Kirsten Marran was asked to represent toy libraries on Sunrise Breakfast TV and was filmed live from the Point Cook Community Learning Centre! The main message was that borrowing toys instead of buying them is the most economical and sustainable way for families to support their children's play and development. Sadly 50% of toys purchased this year will end up in landfill

by Christmas! This was such a great opportunity to showcase awesome things that are happening in Wyndham.

The following day the toy library hosted a bus tour with over 50 delegates from all over Australia, Hong Kong, Malaysia and the USA coming to visit our Point Cook Branch. There was great interest in our little toy library room which now services over 300 families in the Point Cook area and it was a wonderful opportunity for us to showcase that size is not a barrier for building a vibrant toy library community. LETS SING

LEARN ENGLISH THROUGH SONG

Meet David, who has been a musician for most of his life. Together David and his wife Chrissy have 4 teenage children. David has been actively involved in serving the community in various roles for many years, whether it's playing music in nursing homes, volunteering at the local food bank, or serving food with Melbourne's street ministry to the homeless. Among his many hobbies, motorcycles and music are two of the hobbies David enjoys most.

Recently David has become the pastor of the English-speaking congregation at One Faith Church Point Cook. He is delighted that One Faith Church is able to partner with Point Cook Community Learning Centre to provide weekly English classes with a difference for our local community. The English classes are an exciting way to learn conversational English through song. Singing brings people together. Learning English through song is a fun way to meet new people and gain confidence while we learn vital English skills.

The program will run on Thursdays between 11:30am-1pm starting on 27 April. If you or know someone who is interested in joining this free program you can contact the Point Cook Community Learning Centre, call 9395 6399 or email pointcookclc@wyndham.vic.gov.au

Saltwater Arts Space

The gallery space at Saltwater Community Centre has been hosting some strong, bold women this term. **Mario Nardo** (picture inset) exhibited her extraordinarily uplifting paintings in her first solo show "Am I Random". This show was part of Wyndham City's Level Up series, providing emerging local artists with an opportunity to showcase their work and transition into professional practice. For more information on the series, or to apply, contact lppy.collins@wyndham.vic.gov.au

On International Women's Day (March 8th), Wyndham artist **Mita Chowdhury** presented a Kantha Community Quilt, created with local community using the traditional Bengal women's hand-stitching techniques. The evening included music and singing from performers (pictured below) and group conversation and sharing.
