

# Paper Alien

**What you need:**

- Paper roll
- Pipe cleaners
- Pom poms
- Googly eyes
- Pencils/textas
- Glue
- Paper

**What to do:**

1. Decorate the paper roll to make the alien's body. If you don't have a paper roll, you can roll up a piece of paper and glue the edge down.
2. Use your craft supplies to make an alien! I used pipe cleaners for arms and hair, and pom poms with googly eyes for the alien's eyeballs.
