Further Information:

- ❖ Families may be required to provide appropriate proof as required to be allocated points per the Priority of Access criteria.
- ❖ Registered places are allocated in order from highest points to lowest points, according to the availability of a family's preferences.
- ❖ Where two or more children have the same points value, the Central Enrolment and Registration System will allocate randomly.
- ❖ Where two or more children on the waitlist have the same points value, the Central Registration System will use the earlier registered date to allocate. Where the registered date is also the same, the allocation will be done randomly.
- ❖ Where a child has been on a waitlist for their first year of kindergarten but are allocated a place in their second year of kindergarten their points for the second year of kindergarten will not be updated.
- ❖ In the best interest of all children and families, Wyndham City reserves the right to consider factors such as group size, group dynamic and other special considerations when allocating registered places to families.
