

Make a Dinosaur Using Shapes.

What you need:

- Paper.
- Drawing supplies.
- Scissors.
- Glue.

What to do:

1. On some paper, draw a few different shapes. Colour the shapes in and cut out.
2. Rearrange the shapes and see if you can make a dinosaur out of them! Draw a background for your dinosaur.
3. Show us your dinosaur on the [Kids Club Online Gallery.](#)
