

## Penrose Promenade Community Centre Activity Priorities Fact Sheet

Wyndham City works to ensure activities in community centres meet local needs and interests. With projected growth in population in the coming years, we are focussed on reaching out to new residents and communities who we haven't met yet. Priorities for activities have been developed for each community centre based on local demographic data, what residents have told us is important to them along with an assessment of current activities.

### What We're Hearing...

- We'd love to see more activities that help to improve our wellbeing and our social connections.
- We really value activities that bring the whole community together and celebrate all cultures.
- We highly value education and opportunities that provide education for our children.
- Sometimes we need support to help us with managing cost of living.

### Neighbourhood Activity Priorities for 2025

- Opportunities to support learning and express creativity for children, young people, and families.
- Activities and programs that bring together and support families from all cultural backgrounds.
- Opportunities for services that provide emergency relief and assistance.
- Activities and programs which promote and encourage positive mental and physical wellbeing and encourage socialisation.
