

# WINTER TREE ART

## What you need:

- Sticks
- Glue
- Paper
- Paint
- Cotton tips
- Scissors

## What to do:

- Collect some small sticks from your garden or on a nature walk.
- Cut or break the sticks if you need them smaller.
- Glue the sticks down on your piece of paper in the shape of a tree.
- Using the cotton tips, dip it into white paint and create some snowflakes around the tree and on the ground.
- Be creative with your design.
- I've added in a snowman to my design.
