

Mini book reading journal.

What you need:

- Paper
- Pencils/textas
- Scissors

What to do:

1. Follow the images to help you fold the paper. Cut along the dotted lines after you have folded the paper in half.
2. Decorate the front cover. You can add books that you read into the reading journal. Add the date you started and finished, what you rate the book out of 5, write and draw what you like about the book.

Show us what you have made on the [Kids Creations Gallery](#).
