

## Penrose Promenade Community Centre Activity Priorities Fact Sheet

Wyndham City works to ensure activities in community centres meet local needs and interests. With projected growth in population in the coming years, we are focussed on reaching out to new residents and communities who we haven't met yet. Priorities for activities have been developed for each community centre based on local demographic data, what residents have told us is important to them along with an assessment of current activities.

## Age Profile - Tarneit

## Wyndham Health Priorities

*Council Plan 2025-29 identifies the following five Health Focus Areas:*

- Accessible Services
- Healthy Living
- Climate Change and Health Impacts
- Mental Wellbeing and Social Connection
- Gender Equality

## What We're Hearing...

- "Healthy lifestyle and nutrition education using local and cultural foods"
- "Intergenerational programs e.g. youth helping seniors with technology, or shared story telling sessions"
- "More youth activities and engagement"
- "Creative and purposeful engagement that encourages creativity and continuous learning"

## Neighbourhood Activity Priorities for 2026

- Programs that provide meaningful engagement opportunities for youth, with an emphasis on connection, learning, and community contribution.
- Programs that promote inclusive health and wellbeing, address food security, and provide nutrition education using local and cultural foods.
- Programs that promote connected communities, reducing isolation and supporting continuous learning and creativity, particularly among vulnerable and diverse population.
- Programs that offer information and support for financial wellbeing, cost-of-living challenges and employment assistance.
