

Tarneit Community Learning Centre Activity Priorities Fact Sheet

Wyndham City works to ensure activities in community centres meet local needs and interests. With projected growth in population in the coming years, we are focussed on reaching out to new residents and communities who we haven't met yet. Priorities for activities have been developed for each community centre based on local demographic data, what residents have told us is important to them along with an assessment of current activities.

Wyndham Health Priorities:

Council Plan 2025-29 identifies the following five Health Focus Areas:

- Accessible Services
- Healthy Living
- Climate Change and Health Impacts
- Mental Wellbeing and Social Connection
- Gender Equality

What We're Hearing...

- "Diversity is important to us and we want to share and preserve our cultures and learn from each other"
- "I want to build up my skills and need help with employment, education and work experience"
- "I want more opportunities for social connection to build friendships, enjoy hobbies and feel part of a supportive community"
- "We highly value education and opportunities that provide education for our children"
- "We want school holiday activities for kids especially focusing on nature, the arts, creative play and social skills"
- "Sometimes we need support to help us with managing the cost of living and access to services."

Neighbourhood Activity Priorities for 2026

- Programs and events that build friendships, celebrate cultural diversity and promote social inclusion for all community members.
- Diverse and affordable range of educational and recreational programs for children and young people of all abilities including activities that encourage creativity, music and physical activity.
- Activities that support health and wellbeing, while also creating opportunities for meaningful participation and contribution to community life.
- Opportunities for accessible services including emergency relief, social support and employment services.
