

Truganina Community Centre Activity Priorities Fact Sheet

Wyndham City works to ensure activities in community centres meet local needs and interests. With projected growth in population in the coming years, we are focussed on reaching out to new residents and communities who we haven't met yet. Priorities for activities have been developed for each community centre based on local demographic data, what residents have told us is important to them along with an assessment of current activities.

Who Lives in and Around Truganina?

82% of households are couples with children

More than half (80.3%)

Wyndham Health Priorities

Council Plan 2025-29 identifies the following five Health Focus Areas:

- Accessible Services
- Healthy Living
- Climate Change and Health Impacts
- Mental Wellbeing and Social Connection
- Gender Equality

What We're Hearing...

- "We highly value opportunities that provide education for our children"
- "More playgroups and activities for my kids"
- "We want fitness activities for adults during the week in the evening."
- Cooking programs
- Opportunities to practise my English

Neighbourhood Activity Priorities for 2026

- Programs that support skill development, promote employment readiness, and enhance children's educational growth.
- Low-cost programs and activities which promote and encourage positive mental and physical wellbeing including social, educational and recreational activities for all ages and abilities.
- Activities and programs that engage children and young families, particularly among our vulnerable and diverse population
