

Hanging Mandala Rangoli Decoration

What you need:

- Paper
- Pencils/textas
- Stick on gems/ sequins
- Ribbon
- Scissors
- Sticky tape
- Glue

What to do:

1. Print off the images and colour them in. You could also draw your own.
2. Add the stick-on gems or sequins for some festive bling.
3. Cut the mandalas out. Cut a length of ribbon. I used sticky tape to stick the mandalas to the ribbon on the other side, then glued another one on top to cover the ribbon.
4. Hang your finished decoration up for display.
