

Diya decoration

What you need:

- Paper
- Pencils/textas
- Stick-on gems
- Ribbon
- Scissors
- Sticky tape
- Glue

What to do:

1. Print off the diya images and colour them in. You could also draw your own. I printed off two copies so my decoration could be double sided.
2. Add the stick-on gems for some festive bling.
3. Cut the diyas out. Cut a length of ribbon. I used sticky tape to stick the paper diyas to the ribbon on the other side, then glued the second one on top to cover the ribbon.
4. When all the papers diyas are stuck onto the ribbon together, you can hang the decoration up.
