

Jellyfish

What you need:

- Paper
- Scissors
- Glue/tape
- Wool, ribbon or streamers

What to do:

1. Print out the jellyfish picture on the next page, or draw your own.
2. Colour the jelly in and cut both out.
3. On the back of one of the jelly fish, stick on the wool, ribbon or streamers. These will be the tentacles.
4. Stick both the jellyfish together.

Show us what you have made on the [Kids Creations Gallery](#).
