

Paper Plate Owl

What you need:

- Paper plate
- Cotton balls
- Paper
- Glue
- Scissors
- Pencils/textas

What to do:

1. On paper, draw and colour in eyes and a beak for the owl. Cut these out.
2. Using glue, cover the paper plate with the cotton balls and add the eyes and beak. The owl is finished!
3. You can make different sized owls if you cut the paper plate smaller.
