IMPORTANT

Please ensure you give yourself enough time to complete your submission. To start preparing your submission click the "Next" button located at the bottom of this page.

The diagram below illustrates average times to upload a 10 MB file and a 100 MB file using various internet upload speeds.

SIZE		
	10 MB	100 MB
S P E E D	56 Kb	25 minutes
	64 Kb	4 hours and 10 minutes
	128 Kb	21 minutes
	256 Kb	3 hours and 40 minutes
	1.5 Mbps	10 minutes

Upload time depends on two things:

- The size of your file
- Your internet upload speed

Disclaimer: This is a guide only. It is by no means definitive. These times can vary significantly depending on your actual internet speed at the time of upload.
