

# Join the Mayoral and Councillor Taskforce Supporting People Seeking Asylum

BACK YOUR NEIGHBOUR

OVER 40 LOCAL GOVERNMENTS ACROSS AUSTRALIA UNITED IN SUPPORT OF FAIR AND INCLUSIVE COMMUNITIES.

## Local government leadership

Councils across four states, representing 6 million residents, united in urging the Federal Government to deliver the certainty and support people need to rebuild their lives with dignity and hope.

## Strategic advocacy

We raised awareness in 50 Federal electorates, receiving positive feedback from over 40 political engagements from 2022-2024. Our Taskforce has been featured in major outlets like *The Age*, alongside strong social media engagement with over 2,500 followers.

## Mobilising communities

We empowered residents and grassroots organizations to take action, gaining support from over 1,000 individuals through petitions, photo pledges, and messages to the Federal Government.

## Sector partnerships

Coordinated efforts with over 80 sector partners led to major policy reforms, the Government's decision to grant permanent visas to 20,000 refugees and \$160 million for visa processing.

We offer 4 flexible membership levels - it's free to join!
