

# EASTER WREATH

## What you need:

- Pencils/textas
- Scissors
- Glue
- Ribbon

## What to do:

- Print the following pages or draw your own Easter eggs and colour them in. You will need around 12 eggs.
- Cut the Easter eggs out.
- Start gluing the edges of eggs together to create a circle.
- Cut a length of ribbon, fold it in half to create a loop and glue it to the back of your wreath.
