Mayor Foreword

Welcome to our 2025-26 Seniors Directory.

Wyndham City appreciates and values the important contribution seniors make in our community, and we proudly support programs and initiatives that foster inclusion and encourage participation. Every person is valued and respected, regardless of age, in Wyndham.

The 2025-2026 Seniors Directory is a fabulous resource that combines comprehensive advice with a list of services, facilities and activities available across Wyndham.

It is an invaluable tool to educate, empower and inform Seniors of all backgrounds and abilities to live their best life – mentally and physically.

This directory is an important resource to help guide our Seniors to live a better connected, healthier and rewarding life.

The directory provides an opportunity for our Seniors to try new activities, make friends and learn new skills.

Well-connected communities support and enable their residents to socially engage, participate and connect with family, friends and the community.

In the age of technology, most people have never been more connected and at the same time have never been more isolated and lonelier.

Our Seniors strengthen and improve our City and give back to our community in many ways.

We must maximise the contributions of our Seniors and ensure they have the resources and support they need to thrive and keep shaping the future of Wyndham.

Cr Mia Shaw
Wyndham City Mayor

Ageism

The Every AGE Counts is an advocacy campaign aimed at tackling ageism.

Ageism is not benign or harmless. It is a big problem because it impacts on our confidence, quality of life, job prospects, health, and control over life decisions.

As well as its individual impacts, ageism can also deny society the enormous range of benefits that can flow, economically and socially, from the full participation of older people.

Take The Pledge

"I stand for a world without ageism where all people of all ages are valued and respected and their contributions are acknowledged. I commit to speak out and take action to ensure older people can participate on equal terms with others in all aspects of life."

To see more on the campaign, take the pledge and to take the Quiz "Am I Ageist".
