Dear John,

I am writing to you about Wyndham City Council's campaign, **'A Way Forward for Wyndham'** and to inform you about our priority projects being put forward ahead of the upcoming State Election.

Wyndham is one of the fastest-growing communities in Victoria. We are proud to represent a community where so many people choose to live, work, raise a family and retire. But our rapid population growth is outpacing infrastructure investment and development.

It means our roads are busier than ever. Our sports clubs are at capacity. And it means our Emergency Department will be unable to meet demand. It is clear that we need A Way Forward for Wyndham.

The projects we are taking to this year's State Election are critical to ensuring our community can continue to thrive now and into the future. They are:

- Outer Metropolitan Ring Road
- Wyndham Ring Road
- Wyndham's Arterial Roads
- Truganina Railway Station
- Black Forest Road Railway Station
- Sayers Road Railway Station
- Werribee Railway Station Redevelopment
- Wyndham Vale Line Electrification
- Riverdale Aquatic Centre
- Tarneit Indoor Sports Facility
- The Big Shed
- Point Cook Homestead Precinct
- Funding to support the future of the Mercy Hospital
- Point Cook Indoor Sports Centre
- Outdoor Netball Canopy Covers
- Funding to support Wyndham's Mental Health needs

As a candidate at this year's election, I would welcome your support for these priorities and the opportunity to meet with you to discuss how you intend to advocate for our community's future needs at this Election.

Deputy Mayor, Wyndham City Council
