

# Rainbow and a cloud

## What you need:

- Paper
- Pencils/textas
- Glue
- Scissors

## What to do:

1. Print the template on the next pages. Or you can draw your own cloud and colour in strips of paper for the rainbow.
2. Colour in the cloud and cut out. Colour in the rectangles in the rainbow colours. Red, orange, yellow, green, blue, purple and pink.
3. Cut these out and stick them on the cloud.

Colour in the strips then cut out.

**Red, orange, yellow, green, blue, purple, pink**
