

# Heathdale Ward By-election 2026 Candidate Information Request Register

Council recognises that all candidates in an election have a right to the same information. During the election period, Council will only provide information to a candidate that is already readily available to the community.

If a person identifying as a candidate requests information from Council, that request will be published on a Candidate Information Request Register, along with the response provided.

The Register will be updated regularly by Council's Governance team with all requests from candidates being added to ensure equity of information for all candidates.

Any enquiries regarding the Register can be directed to Council's Governance team by phoning 1300 023 411 or by emailing [elections@wyndham.vic.gov.au](mailto:elections@wyndham.vic.gov.au).

Request Number	Date of Request	Name of Candidate	Details of Request	Date of Response	Response from Council	Reference Number
1	30/06/2026	Kim McAliney	I am writing to ask about the future of the Heathdale Glen Orden Playground. From my research, I have not been able to find any announced or funded plans for an upgrade to the playground. I have also been advised that there	01/07/2026	The Heathdale Glen Orden Playground is scheduled for an upgrade within the next 5 years. Council is prioritising investigating and addressing drainage issues on the site prior to upgrading the playground.	

			<p>have been no significant upgrades since around 2007. Could you please let me know whether there are any proposed works or renewal plans for the playground in the future? If so, I would appreciate any information you can provide regarding the scope of the works and the anticipated timeframe.</p>
