Map

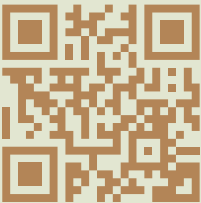

10.00am

Opening Ceremony

A Wyndham City Councillor will formally open the Seniors & Carers Expo with an Acknowledgement of Country and opening address, highlighting the importance of supporting older residents and carers and recognising their valuable contribution to our community.

The official opening will be followed by a performance from With One Voice – Wyndham Community Choir.

ROOM 1 & 2 Videos & Information	ROOM 3 Share Your Story with Older Voices of Wyndham Project	REAR FOYER Community Connections Space
A selection of videos will be played on loop throughout the day, showcasing local supports, services and businesses, along with informative and educational content relevant to seniors, carers and the wider community.	This project invites older people living in Wyndham to share their experiences, insights and stories to help shape a more age-friendly community. Through video recorded, relaxed one-on-one conversations, participants can share their experiences of living in Wyndham, what matters most to them, and their hopes for the future. Your voice can help inform future planning, services and advocacy.	Take a break and enjoy the Community Connections Space, located in the rear foyer. Grab something to eat or drink, have a go at some games, and take the opportunity to relax and connect with other members of the community.
